Accsys Technologies plc
Completion of Subscription by Celanese

On 28 March 2007, Accsys Technologies plc (the "Company") announced the terms of its strategic partnership and supply agreement with Celanese Corporation. At the same time, the Company also announced, *inter alia*, the proposed subscription by Celanese for 8,115,883 new ordinary shares of €0.01 each in the Company at €2.72 per share (the "Subscription").

The Company is pleased to announce that the Subscription was today completed, following admission of the 8,115,883 new ordinary shares to trading on AIM this morning. The Subscription Shares rank *pari passu*, in all respects, with the existing ordinary shares of €0.01 each in the Company.

Willy Paterson-Brown, Executive Chairman of Accsys, commented, "We are very pleased to welcome Celanese as a substantial shareholder in Accsys, and are looking forward to a close working relationship with them. Now that this transaction has been completed we are able to turn our attention towards our licensing business in which Celanese will have a key role to play".
