LETTER FROM THE CHAIR OF THE COMPANY

Accsys Technologies PLC
(registered in England and Wales with registered no: 5534340)

16 August 2024

Dear Shareholder,

2024 Annual General Meeting

I am writing to give you details of the resolutions to be proposed at this year's Annual General Meeting to be held at 1.00 pm (BST) on Wednesday, 25 September 2024 at the offices of Ashurst LLP, London Fruit & Wool Exchange, 1 Duval Square, London, E1 6PW. These resolutions are set out in the Notice of Annual General Meeting on pages 05 to 06 of this document.

Shareholders should read the contents of this document in conjunction with the Annual Report and Accounts of the Company for the financial year ended 31 March 2024 ("2024 Annual Report and Accounts"), a copy of which can be obtained from the Company's website at www.accsysplc.com/investors/reports-results/.

Annual General Meeting

The resolutions set out below will be proposed at this year's Annual General Meeting. Resolutions 1 to 12 are to be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 13 to 15 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolutions 1–12

Resolutions 1–12 to be proposed at the Annual General Meeting will each be proposed as an ordinary resolution as follows:-

- 1) the receipt of the audited financial statements of the Company for the financial year ended 31 March 2024 (resolution no. 1);
- 2) the approval of the Directors' Remuneration Policy as set out in the Directors' Remuneration Report for the financial year ended 31 March 2024 (resolution no. 2);
- 3) the approval of the Directors' Remuneration Report (excluding the Remuneration Policy) for the financial year ended 31 March 2024 (resolution no. 3);
- 4) the reappointment of Trudy Schoolenberg who retires as a Director under article 80 of the Company's articles of association and, being eligible, offers herself for reappointment as a Director at the Annual General Meeting (resolution no. 4);
- 5) the reappointment of Louis Eperjesi who retires as a Director under article 80 of the Company's articles of association and, being eligible, offers himself for reappointment as a Director at the Annual General Meeting (resolution no. 5);
- 6) the reappointment of Roland Waibel who retires as a Director under article 80 of the Company's articles of association and, being eligible, offers himself for reappointment as a Director at the Annual General Meeting (resolution no. 6);
- 7) the appointment of Edwin Bouwman who has been appointed by the Board since the last Annual General Meeting, and retires himself as a Director under article 80 of the Company's articles of association and, being eligible, offers himself for appointment as a Director at the Annual General Meeting (resolution no. 7);
- 8) the reappointment of Jelena Arsic van Os who retires as a Director under article 80 of the Company's articles of association and, being eligible, offers herself for reappointment as a Director at the Annual General Meeting (resolution no. 8);
- 9) the appointment of Hans Pauli who has been appointed by the Board since the last Annual General Meeting and retires as a director under article 80 of the Company's articles of association and, being eligible, offers himself for appointment as a Director at the Annual General Meeting (resolution no. 9);

- 10) the reappointment of PricewaterhouseCoopers LLP as auditor of the Company (resolution no. 10);
- 11) to authorise the Directors to determine the auditor's remuneration (resolution no. 11); and
- 12) the renewal of authority for Directors to allot shares generally (resolution no. 12).

Directors' Remuneration Report

As with previous years, this year's Remuneration Report is prepared under the UK regime for the reporting of executive pay which has applied to UK companies fully listed on the UK stock exchange from October 2013. Although Accsys is admitted to trading on AIM in the UK, its cross-listing on Euronext Amsterdam in the Netherlands and our UK incorporated status means that it comes within the definition of a "quoted company" under the UK Companies Act 2006 (the "Act").

Accordingly, Accsys is therefore required to comply with the regime for the reporting and approval of directors' remuneration by UK quoted companies, including:

1. a binding vote on the directors' remuneration policy not less than once every three years; and
2. an advisory (non-binding) vote on the remainder of the Remuneration Report, which includes the implementation of its remuneration policy for the year ended 31 March 2024.

Accsys' remuneration policy was last approved by shareholders at the Annual General Meeting in September 2021. Following a review, the Remuneration Committee concluded that the policy approved in 2021 remains largely fit-for-purpose. The new policy is set out in the Directors' Remuneration Report for the year ended 31 March 2024, along with an explanation of the Remuneration Committee's approach to the review and the determination of the new policy.

Re-appointment and appointment of Directors

As previously announced, Hans Pauli was appointed as Interim Chief Financial Officer of the Company with effect from 15 May 2024 and he became an Executive Director of the Company on 4 July 2024 and Edwin Bouwman was appointed as a Non-Executive Director with effect from 12 December 2023.

In accordance with the Company's articles of association and in line with market practice, each of the Directors offer themselves for reappointment at the Annual General Meeting, save for Edwin and Hans who have joined the Board for the first time since last year's Annual General Meeting and are accordingly seeking appointment by shareholders for the first time at the Annual General Meeting.

Hans has only recently been appointed to the Board and has therefore not yet been subject to an annual performance evaluation. I confirm, as Chair of the Company, that the performance of each of the other Directors of the Company has been evaluated. Each Director continues to be effective and continues to demonstrate commitment to their respective roles, and they each therefore offer themselves up for reappointment at the Annual General Meeting.

Further information about each Director seeking reappointment and appointment can be found at pages 72 and 73 of the 2024 Annual Report and Accounts.

The re-appointment of PricewaterhouseCoopers LLP as auditor of the Company

The Company is proposing to appoint PricewaterhouseCoopers LLP as its statutory auditor for the financial year ending 31 March 2025. Based on a number of factors, including capability and cost, the Audit Committee determined that it would be in the best interests of the Company to re-appoint PricewaterhouseCoopers LLP for another year.

LETTER FROM THE CHAIR OF THE COMPANY continued

Renewal of Authority for Directors to allot shares generally

Resolution 12 will be proposed as an ordinary resolution to give the Directors a general authority, in accordance with section 551 of the Act, to allot shares. Paragraph (A) of this resolution would give the Directors the authority to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal amount equal to €3,993,320 (representing 79,866,396 ordinary shares of €0.05 each). This amount represents approximately one-third of the issued ordinary share capital of the Company as at the date of this document.

In line with guidance issued by the Investment Association, paragraph (B) of this resolution would give the Directors authority to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares in connection with a rights issue in favour of ordinary shareholders up to an aggregate nominal amount equal to €7,986,640 (representing 159,732,792 ordinary shares of €0.05 each), as reduced by the nominal amount of any shares issued under paragraph (A) of this resolution. This amount (before any reduction) represents approximately two thirds of the issued ordinary share capital of the Company as at the date of this document.

The authorities sought under paragraphs (A) and (B) of this resolution will expire at the conclusion of next year's Annual General Meeting or 15 months after the passing of the resolution (whichever is earlier).

This authority replaces the authority to allot shares generally as given to the Directors at last year's Annual General Meeting.

Resolutions 13–15

Resolutions 13 to 15 are to be proposed as special resolutions as follows:-

Resolution 13 – Renewal of Authority for Directors to allot shares for cash disapplying statutory pre-emption rights

Resolution 13 will be proposed as a special resolution to authorise the Directors to allot ordinary shares for cash (otherwise than pro rata to existing shareholdings) in connection with a rights issue, open offer or any other pre-emptive offer in favour of the holders of ordinary shares which is made not strictly in accordance with section 561 of the Companies Act 2006 or otherwise up to a maximum aggregate nominal value of €1,197,996 (representing approximately 10% of the Company's issued ordinary share capital at the date prior to the printing of this document). The Directors acknowledge the increased limits set out in the Pre-Emption Group's most recent Statement of Principles published in November 2022. Having considered all relevant circumstances, the Directors regard it appropriate to seek the same authority as last year. The Directors will continue to keep market practice under review but consider that the limit will still enable the Directors, at their discretion, to allot a limited number of equity securities for cash and also provide the Directors with sufficient flexibility to take advantage of business opportunities as they arise. This authority replaces the resolution passed at last year's Annual General Meeting and will expire at the conclusion of next year's Annual General Meeting or 15 months after the passing of the resolution (whichever is the earlier).

Resolution 14 – Authority to purchase own ordinary shares

It is proposed by this special resolution 14 that the Company be authorised to purchase up to 23,959,919 of its own ordinary shares in the market, representing approximately 10% of the current issued ordinary share capital of the Company, at a price at not less than the nominal value of the ordinary shares and not more than the highest of (i) 5% above the average of the middle market quotations of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the 5 business days before the purchase is made and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out. The authority would be given for the period ending on the date of next year's Annual General Meeting or 15 months after the passing of the resolution (whichever is the earlier) and it is anticipated that a resolution for the renewal of such authority will be proposed at each future Annual General Meeting.

Whilst the Directors have no present intention of making such purchases, it is considered prudent to have this authority so as to be able to act at short notice if circumstances change. The authority would however only be exercised if the Directors believe that to do so would result in an increase in earnings per share and would be in the best interests of shareholders generally.

Options over an aggregate of 4,359,943 ordinary shares in the Company under the Company's existing Share Option Schemes and Long-Term Incentive Plan were outstanding as at the date of this document representing approximately 1.82% of the Company's issued share capital at that date and which would represent 2.02% of the Company's issued share capital if the proposed authority being sought at the 2024 Annual General Meeting to buy back 23,959,919 ordinary shares was exercised in full.

The resolution will also permit the Company to purchase its own shares to hold as 'treasury shares'. As at the date of this document the Company did not hold any of its ordinary shares as treasury shares.

The Directors would consider holding as treasury shares any shares which the Company purchases pursuant to the authority proposed to be granted by resolution 14.

Resolution 15 – Notice period for calling a general meeting

Resolution 15 will also be proposed as a special resolution. Changes made to the Companies Act 2006 by the Shareholders' Rights Regulations increase the notice period required for general meetings of the Company to 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days (Annual General Meetings will continue to be held on at least 21 clear days' notice).

Resolution 15 seeks approval for a shorter notice period of 14 days. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

Action to be taken in respect of Annual General Meeting

Shareholders will find enclosed with this document a form of proxy for use at the Annual General Meeting. Whether or not you intend to be present at the Meeting, you are requested to complete, sign, date and return the form of proxy so as to reach the Company's registrars, Link Group, by post at FREEPOST SAS, Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL, UK or by sending a completed, signed and dated scanned version of the proxy form by email to touk-proxyqueries@linkgroup.co.uk as soon as possible and in any event not later than 48 hours before the time appointed for the Annual General Meeting (excluding days which are not working days), being 1.00 pm (BST) on Monday, 23 September 2024.

Completion and return of a form of proxy will not however prevent you from attending at the Annual General Meeting and voting in person if you should wish to do so.

Recommendation

The Directors are unanimously in favour of resolutions 1 – 15 (inclusive) to be proposed at this year's Annual General Meeting, which they consider to be in the best interests of the shareholders of the Company as a whole. Accordingly, the Directors unanimously recommend shareholders to vote in favour of those resolutions at the Annual General Meeting, as they intend to do in respect of any of their own beneficial holdings of ordinary shares over which they have voting control.

Yours faithfully,

Trudy Schoolenberg
Chair

NOTES

1. Any member of the Company entitled to attend and vote at this Annual General Meeting may appoint one or more proxies to exercise all or any of his or her rights to attend, speak and vote at the meeting. Where more than one proxy is appointed, each proxy must be appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a member of the Company.
2. For the convenience of members who may be unable to attend the Annual General Meeting, a form of proxy is enclosed which to be valid should be completed, signed, dated and returned, along with any power of attorney or other authority under which it is signed, to the Company's registrars, Link Group, by post at FREEPOST SAS, Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL, UK or by sending a completed, signed and dated scanned version of the proxy form by email to touk-proxyqueries@linkgroup.co.uk by 1.00 pm (BST) on Monday, 23 September 2024, being 48 hours (excluding days which are not working days) before the time fixed for the Annual General Meeting, or if the Annual General Meeting is adjourned, such time being not more than 48 hours prior to the time fixed for the adjourned meeting excluding days which are not working days. The fact that members may have completed forms of proxy, other such instrument or any CREST Proxy Instruction (as described in notes 3 to 6 below), will not prevent them from attending and voting at the Annual General Meeting in person should they afterwards decide to do so.
3. You can vote electronically by logging on to www.signalshares.com and following the instructions. To register for the share portal you will need your Investor Code, which can be found on your share certificate. To be valid your vote must be input by 1.00 pm (BST) on Monday, 23 September 2024, being 48 hours before the time appointed for the Meeting or not less than 48 hours if the meeting is adjourned prior to the time fixed for the adjourned meeting (not including weekends or public holidays).
4. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
5. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA10) not later than 48 hours (excluding weekends and public holidays in England and Wales) before the time appointed for holding the Annual General Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
6. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
7. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
8. Any person to whom this notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

9. The statement of the rights of shareholders in relation to the appointment of proxies in notes 1 and 2 does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
10. Pursuant to Regulation 41 of the Uncertified Securities Regulations 2001, only those members who have been entered on the Company's register of members by 6.30 pm (BST) on 23 September 2024, or, if the Annual General Meeting is adjourned, such time being not more than 48 hours prior to the time fixed for the adjourned meeting excluding days which are not working days, shall be entitled to attend and vote at the Annual General Meeting and only in respect of the number of ordinary shares in the Company registered in their name at that time. Changes to entries on the Company's register of members after that time will be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting.
11. As at the close of business on the date of this document, the Company's issued ordinary share capital comprised 239,599,188 ordinary shares of €0.05 each. Each ordinary share carries the right to one vote at a general meeting of the Company and therefore the total number of voting rights in the Company as at the date of this document is 239,599,188.
12. Persons holding their ordinary shares of €0.05 each in the Company through Euroclear Nederland B.V. ("Euroclear") via banks and brokers are not included in the Company's register of members – such ordinary shares are included in the register of members under the name of Euroclear. If anyone who holds their ordinary shares through Euroclear wishes to (i) attend the Annual General Meeting or (ii) appoint one or more proxies to attend, speak and vote on their behalf or (iii) give voting instructions without attending the Annual General Meeting, they must instruct Euroclear accordingly. To do this, they are advised to contact their bank or broker as soon as possible and advise them which of the three options they prefer. In all cases, the validity of the instruction will be conditional upon ownership of the shares at 6.30 pm (BST) on 23 September 2024.
13. Copies of the service contracts, consultancy deeds and engagement letters of all the Directors of the Company, and the New Articles will be available for inspection at the registered office of the Company during normal business hours on any weekday (Saturdays and public holidays excepted) from the date of this document until the close of the Annual General Meeting, and at the place of the Annual General Meeting for at least 15 minutes prior to and during the Annual General Meeting.
14. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
15. Under section 527 of the Act members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Act to publish on a website.
16. Any member attending the Annual General Meeting has the right to ask questions.
