Accsys Technologies PLC Executive Chairman, William Paterson-Brown, in exclusive interview with Bloomberg UK

LONDON, March 29, 2007 - On March 29, William Paterson-Brown, Executive Chairman of Accsys Technologies PLC (AXS), gave an exclusive interview on Bloomberg UK, following the Company's announcement the previous day of a strategic partnership and supply agreement with Celanese Corporation, the global leader in acetyls.

In the interview Mr Paterson-Brown discussed Celanese Corporation's \$29 million investment in Accsys PLC (representing a 5.5% equity investment, with an option to increase to a 29.9% stake) and its implications for the business and its technology licensees.
