Dear Shareholder,

2015 ANNUAL GENERAL MEETING

I am writing to give you details of the resolutions to be proposed at this year's Annual General Meeting to be held at 2.30 pm (UK time) on Thursday, 17 September 2015 at the Company's offices at Royal Albert House, Sheet Street, Windsor SL4 1BE, England. These resolutions are set out in the notice of Annual General Meeting on pages 5 and 6 of this document.

Shareholders should read the contents of this document in conjunction with the audited financial statements of the Company for the financial year ended 31 March 2015, together with the reports of the Directors and auditors thereon (all together, the "2015 Financial Statements") enclosed with this document.

ANNUAL GENERAL MEETING

The resolutions set out below will be proposed at this year's Annual General Meeting. Resolutions 1 to 9 are to be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 10 and 11 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

RESOLUTIONS NOS. 1 - 9

Resolutions nos. 1 - 9 to be proposed at the Annual General Meeting will each be proposed as an ordinary resolution as follows:-

- (i) the receipt and adoption of the audited financial statements of the Company for the financial year ended 31 March 2015 (**resolution no. 1**);
- (ii) the approval of the Directors' Remuneration Report (excluding the Remuneration Policy) for the financial year ended 31 March 2015 (**resolution no. 2**);
- (iii) the approval of a change to the Directors' Remuneration Policy approved at the Company's Annual General Meeting in 2014, which takes effect immediately after the end of the Annual General Meeting (**resolution no. 3**);
- (iv) the re-election of Susan Jane Mair (known as Sue Farr) and Michael Sean Christie who have been appointed by the Board since the last Annual General Meeting, and retire as Directors under article 94 of the Company's current articles of association and, being eligible, offer themselves for re-election as Directors (**resolutions no. 4 and 5**);
- (v) the re-election of William Bickerton Rudge, who retires by rotation as a Director under article 88 of the Company's current articles of association and, being eligible, offers himself for re-election as a Director at the Annual General Meeting (**resolution no. 6**);
- (vi) the re-appointment of PricewaterhouseCoopers LLP as auditors of the Company (**resolution no. 7**);
- (vii) the authorisation of the Directors to determine the auditors' remuneration (**resolution no. 8**); and
- (viii) the renewal of authority for Directors to allot shares generally (**resolution no. 9**).

Directors' Remuneration Report

As with last year, this year's Remuneration Report is prepared under the new UK regime for the reporting of executive pay. Although we are quoted on AIM in the UK, our cross-listing on NYSE Euronext in the Netherlands and our UK incorporated status means that we come within the definition of a "quoted company" under the UK Companies Act.

Accordingly, and exceptionally amongst AIM companies, we are therefore legally required to comply with the new regime for the reporting and approval of directors' remuneration by UK quoted companies, including:

1. a binding vote on the directors' remuneration policy not less than once every three years, which has applied to UK companies fully listed on the UK stock exchange from October 2013; and
2. an advisory (non-binding) vote on the remainder of the Remuneration Report, which includes the implementation of our remuneration policy for the year ended 31 March 2015.

The new reporting regime has not altered our core approach to director remuneration. We remain committed to pay at appropriate, but not excessive, levels and to reflect market practice amongst AIM companies.

As with many other AIM companies, our remuneration policy is more dynamic than would be typical on the Official List with long-term incentive awards not necessarily granted on an annual basis and the basis for determining bonus levels being more judgmental although the Company will increasingly look to formalise KPIs for bonuses as the Company matures.

Following approval of our remuneration policy at last year's Annual General Meeting, we have completed a review of the composition of our Board. Subsequent to that review, I am honoured to have been appointed Chairman on a continuing basis. In addition, we have increased the strength and diversity of the Board by appointing Sue Farr and Sean Christie in November 2014. The addition of these two directors, who carry with them extensive experience in the marketing and speciality chemicals industries respectively, necessitates your Company to propose a change to the approved remuneration policy, namely an uplift to the maximum aggregate fees that may be paid to the Chairman and Non-Executive Directors as a group in any year. The need for such an uplift has been exacerbated with the decline in the Euro relative to Sterling. As our Non-Executive Directors' fees are set in Sterling, the change in exchange rate has resulted in a real decline in the cap.

We are therefore seeking shareholder approval to change the maximum aggregate fee limit from €250,000 to €500,000 per annum, as set out in the remuneration policy within the Company's 2015 Financial Statements (pages 25 to 35 inclusive). Whilst it is not envisaged that payments to the Chairman and Non-Executive Directors reach the maximum aggregate limit, the proposal provides your Company with the ability in the future to swiftly appoint further Non-Executive Directors without the possible need to approach shareholders again for approval to further increase the maximum aggregate fee limit, which in turn may lead to lost opportunities.

Re-election of Directors

Sue Farr and Sean Christie each act as Non-Executive Directors of the Company pursuant to letters of appointment with the Company dated 27 November 2014.

William Rudge acts as Finance Director of the Company pursuant to a service contract with the Company dated 1 October 2012.

Whilst Mrs Farr and Mr Christie have only recently been appointed to the Board and have therefore not yet been subject to an annual performance evaluation, the performance of Mr Rudge has been evaluated; he continues to be effective and continues to demonstrate commitment to the role.

Further information about these Directors may be found in my Chairman's Statement at pages 2 to 3 of the enclosed 2015 Annual Report and Financial Statements.

Renewal of Authority for Directors to allot shares generally

Resolution no. 9 will be proposed as an ordinary resolution to give the Directors a general authority, in accordance with section 551 of the Act, to allot shares on a pre-emptive basis. Paragraph (A) of this resolution would give the Directors the authority to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal amount equal to €1,496,727 (representing 29,934,557) ordinary shares of €0.05 each. This amount represents approximately one-third of the issued ordinary share capital of the Company as at the date of this document.

In line with guidance issued by the Association of British Insurers ("ABI"), paragraph (B) of this resolution would give the Directors authority to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares in connection with a rights issue in favour of ordinary shareholders up to an aggregate nominal amount equal to €2,993,455 (representing 59,869,114 ordinary shares of €0.05 each), as reduced by the nominal amount of any shares issued under paragraph (A) of this resolution. This amount (before any reduction) represents approximately two-thirds of the issued ordinary share capital of the Company as at the date of this document.

Letter from the Chairman of the Company continued

ACCSYS TECHNOLOGIES PLC

(Incorporated in England and Wales with registered no. 5534340)

The authorities sought under paragraphs (A) and (B) of this resolution will expire at the conclusion of next year's Annual General Meeting or 15 months after the passing of the resolution (whichever is earlier).

This authority replaces the authority to allot shares generally as given to the Directors at last year's Annual General Meeting.

RESOLUTIONS NOS. 10 AND 11

Resolutions nos. 10 and 11 are to be proposed as special resolutions - as follows:-

Resolution no. 10 - Renewal of Authority for Directors to allot shares for cash disapplying statutory pre-emption rights

Resolution no. 10 will be proposed as a special resolution to authorise the Directors to allot ordinary shares for cash (otherwise than pro rata to existing shareholdings) in connection with a rights issue, open offer or any other pre-emptive offer in favour of the holders of ordinary shares which is made not strictly in accordance with section 561 of the Companies Act 2006 or otherwise up to a maximum aggregate nominal value of €449,018 (representing approximately 10% of the Company's issued ordinary share capital at the date prior to the printing of this document). This authority replaces the resolution passed at last year's Annual General Meeting and will expire at the conclusion of next year's Annual General Meeting or 15 months after the passing of the resolution (whichever is the earlier). The resolution will enable the Directors, at their discretion, to allot a limited number of equity securities for cash and also provide the Directors with greater flexibility to take advantage of business opportunities as they arise.

Resolution no. 11 - Authority to purchase own ordinary shares

It is proposed by a special resolution (no. 11) that the Company be authorised to purchase up to 8,980,367 of its own ordinary shares in the market, representing approximately 10% of the current issued ordinary share capital of the Company, at a price at not less than the nominal value of the ordinary shares and not more than the highest of (i) 5% above the average of the middle market quotations of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the 5 business days before the purchase is made and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out. The authority would be given for the period ending on the date of next year's Annual General Meeting or 15 months after the passing of the resolution (whichever is the earlier) and it is anticipated that a resolution for the renewal of such authority will be proposed at each future Annual General Meeting.

Whilst the Directors have no present intention of making such purchases, it is considered prudent to have this authority so as to be able to act at short notice if circumstances change. The authority would however only be exercised if the Directors believe that to do so would result in an increase in earnings per share and would be in the best interests of shareholders generally.

Options over an aggregate of 4,617,415 ordinary shares in the Company under the Company's existing Share Option Schemes and Long Term Incentive Plan were outstanding as at the date of this document representing approximately 5.14% of the Company's issued share capital at that date and which would represent 5.71% of the Company's issued share capital if the proposed authority being sought at the 2015 Annual General Meeting to buy back 8,980,367 ordinary shares was exercised in full.

The resolution will also permit the Company to purchase its own shares to hold as 'treasury shares'. As at the date of this document the Company did not hold any of its ordinary shares as treasury shares.

The Directors would consider holding as treasury shares any shares which the Company purchases pursuant to the authority proposed to be granted by resolution no. 11.

Other Matters

Following the publication of FRS 100, 'Application of financial reporting requirements', by the Financial Reporting Council, Accsys Technologies PLC is required to change its accounting framework for its entity financial statements, which is currently UK GAAP, for its financial year commencing 1 April 2015. The Board considers that it is in the best interests of the group for Accsys Technologies PLC to adopt **FRS 101 'Reduced disclosure framework'**. We are not expecting any significant disclosures in the current UK GAAP financial statements would be omitted on adoption of **FRS 101 'Reduced disclosure framework'**. A shareholder or shareholders holding in aggregate 5% or more of the total allotted shares in Accsys Technologies PLC can serve objections to the use of the disclosure exemptions on Accsys Technologies PLC, in writing, to its registered office (Royal Albert House, Sheet Street, Windsor, SL4 1BE) not later than 17 September 2015.

Action to be taken in respect of Annual General Meeting

Shareholders will find enclosed with this document a form of proxy for use at the Annual General Meeting. Whether or not you intend to be present at the Meeting, you are requested to complete, sign, date and return the form of proxy so as to reach the Company's Registrars, SLC Registrars, by post at Ashley Park House, 42-50 Hersham Road, Walton-on-Thames, Surrey, KT12 1RZ or by sending a completed, signed and dated scanned version of the proxy form by email to accsysproxy@davidvenus.com as soon as possible and in any event not later than 48 hours before the time appointed for the Annual General Meeting (excluding days which are not working days), being 2.30 pm (UK time) on Tuesday, 15 September 2015.

Completion and return of a form of proxy will not however prevent you from attending at the Annual General Meeting and voting in person if you should wish to do so.

RECOMMENDATION

Your Directors are unanimously in favour of resolutions nos. 1 - 11 (inclusive) to be proposed at this year's Annual General Meeting, which they consider to be in the best interests of the shareholders of the Company as a whole. Accordingly, your Directors unanimously recommend shareholders to vote in favour of those resolutions at the Annual General Meeting, as they intend to do in respect of any of their own beneficial holdings of ordinary shares.

Yours faithfully

Notes

1. Any member of the Company entitled to attend and vote at this Annual General Meeting may appoint one or more proxies to exercise all or any of his or her rights to attend, speak and vote at the meeting. Where more than one proxy is appointed, each proxy must be appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a member of the Company.
2. For the convenience of members who may be unable to attend the Annual General Meeting, a form of proxy is enclosed which to be valid should be completed, signed, dated and returned, along with any power of attorney or other authority under which it is signed, to the Company's Registrars, SLC Registrars, by post at Ashley Park House, 42-50 Hershaw Road, Walton-on-Thames, Surrey, KT12 1RZ or by sending a completed, signed and dated scanned version of the proxy form by email to accsysproxy@davidvenus.com by 2.30 pm (UK time) on Tuesday, 15 September 2015, being 48 hours (excluding days which are not working days) before the time fixed for the Meeting, or if the Meeting is adjourned, such time being not more than 48 hours prior to the time fixed for the adjourned meeting excluding days which are not working days. The fact that members may have completed forms of proxy will not prevent them from attending and voting at the Annual General Meeting in person should they afterwards decide to do so.
3. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
4. The statement of the rights of shareholders in relation to the appointment of proxies in notes 1 and 2 does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
5. Pursuant to Regulation 41 of the Uncertified Securities Regulations 2001, only those members who have been entered on the Company's register of members by 6.00 pm (UK time) on 15 September 2015, or, if the meeting is adjourned, such time being not more than 48 hours prior to the time fixed for the adjourned meeting excluding days which are not working days, shall be entitled to attend and vote at the Annual General Meeting and only in respect of the number of ordinary shares in the Company registered in their name at that time. Changes to entries on the Company's register of members after that time will be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting.
6. As at the close of business on the date of this document, the Company's issued ordinary share capital comprised 89,803,672 ordinary shares of €0.05 each. Each ordinary share carries the right to one vote at a general meeting of the Company and therefore the total number of voting rights in the Company as at the date of this document is 89,803,672.
7. Persons holding their ordinary shares of €0.05 each in the Company through Euroclear Nederland B.V. ("Euroclear") via banks and brokers are not included in the Company's register of members - such ordinary shares are included in the register of members under the name of Euroclear. If anyone who holds their ordinary shares through Euroclear wishes to (i) attend the Annual General Meeting or (ii) to appoint one or more proxies to attend, speak and vote on their behalf or (iii) give voting instructions without attending the Meeting, they must instruct Euroclear accordingly. To do this, they are advised to contact their bank or broker as soon as possible and advise them which of the three options they prefer. In all cases, the validity of the instruction will be conditional upon ownership of the shares at 6.00 pm (UK time) on 15 September 2015.
8. Copies of the service contracts, consultancy deeds and engagement letters of all the Directors of the Company will be available for inspection at the registered office of the Company during normal business hours on any weekday (Saturdays and public holidays excepted) from the date of this document until the close of the Annual General Meeting, and at the place of the Annual General Meeting for at least 15 minutes prior to and during the Annual General Meeting.
9. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
10. Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
11. Any member attending the meeting has the right to ask questions. The company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the company or the good order of the meeting that the question be answered.
12. A copy of this notice, and other information required by section 311A of the Companies Act 2006, can be found at www.accsysplc.com.
13. You may not use any electronic address provided in either this notice of Annual General Meeting or any related documents (including the proxy form) to communicate with the Company for any purposes other than those expressly stated.
14. Members attending the meeting in person are requested to arrive in reasonable time. Any member arriving after the time the meeting commences may be refused admission.
